Dear Sirs:

This is to urge you to grant petition **98P-0151/**
CP1

to prohibit the slaughter of downed animals.

Animals who are too sick or injured even to
stand should not be allowed to enter the
human food chain.

Downed animals comprise a very small percentage
of animals slaughtered, and prohibiting their
marketing will cause no undue economic hardship.

Thank you for your consideration.

Sincerely,

Romaine A. Hardy
